

Yala Rajabhat University Announcement

On “The Honest Intention of the Administration at Yala Rajabhat University”

.....

Yala Rajabhat University under the administration by Assistant Professor Dr. Sombat Yotathip, current President, declares its intention to administer the University honestly, transparently and accountably according to the good governance policies. This is in order to build confidence to the society that Yala Rajabhat University has an intention to fight against every type of corruption and adhere to the administration of Yala Rajabhat University to remain an integrated and transparent organization in civil service by the following missions:

1. Focusing on the administration based on the good governance policies and create good culture which will be the best role model of the Yala Rajabhat University’s culture stated as, “Honesty, Integrity, Transparency Without Corruption, Creation of Thai Education Collaboratively.”

2. To inculcate and create in the minds of the staff anti-corruption awareness. They must be able to differentiate between one’s own benefits and the nation’s benefits. To inculcate in them a good conscience in morality, transparency and anti-corruption within the organization including strong internal balance.

3. Willing to cultivate good moral traits, awareness of the ill effects, dangers of corruption and be against all kinds of corruption by continuously promoting staff to learn about morality and transparency in the organization.

4. Every single step of working will be based on laws, regulations and rules and to also promote the staff to practice their works according to the laws, regulations and rules.

5. Do not accept and do tolerate corrupt behavior. When the corruption is found, investigation and punishment will be conducted with the maximum extent according to the law seriously.

This announcement was made to all for acknowledgement.

Announced on 2 April B.E. 2563 (2020)
